### Genius Hour Project Contract

My proposal or research question:	
Other questions to be answered:	
How do I plan to share my information?	

# Teacher/ Student Meetings

Meeting Date	Meeting Notes	Student/ Teacher Signature

# Project Agreement

My project topic is:
Due Date:
I choose this passion to research because
<ul> <li>My Promise:</li> <li>I will select a topic that I am passionate about.</li> <li>I will keep track on my resources and will use at least four different resources.</li> <li>I will take notes in my own words and not copy from any published work.</li> <li>I will give my best effort on this project and will stay focused 100% of the time.</li> <li>I will thoughtfully create a way to share my information with my peers and teachers.</li> <li>I will carefully edit and proofread my work.</li> <li>I will reflect on my work and be able to discuss what worked well and improvements for next time.</li> </ul>

### Genius Hour Reflection

What was the most interesting fact you discovered while researching your project?		
What was one thing about the project that you really enjoyed?		
What is one mistake/or one thing that you would change for next time?		
What would your next steps be if you were to continue researching this topic?		

# Research Graphic Organizer

Topic/ Focus Question	n:			
First question/topic I need to research:				
Research/ Facts	Citation	How does this relate to my focus question or idea?		

Research/ Facts	Citation	How does this relate to my focus question or idea?

Second question/topic I need to research:
