

Star Wars

WOOKIE WEAPONS

Description:

Student will design, and create a miniature Wookiee Weapon.

Difficulty Level:

Jedi

Materials Needed (Per Group):

- 6 Large Marshmallows (for wall)
- 6 Toothpicks
- 4 Craft Sticks
- 3 Rubber Bands
- 2 Sheets of Paper
- 2 Paperclips
- 1 Plastic Spoon
- 1 Foot of Tape

Student Directions

The Wookiee weapon of choice is a Bowcaster (sometimes called the Wookiee Crossbow), but they love projectile weapons of all kinds. Your task is to design and create a projectile weapon that can knock down a wall.

Regulations

- Your weapon must be able to knock down a wall (made of marshmallows).
- You may only use the supplies you are given; however, you do not need to use all the supplies.
- Your weapon must be some type of projectile.
- You may not throw your weapon.
- You will have 40 minutes to design, test, and create your Wookiee Weapon.
- Your weapon must be shot from a distance 1 foot.
- Don't forget your projectile!

***May the force
be with you!***
