

STEM SATIONAL

AAGT SUMMER SEMINAR 2026

Featuring sessions for ALL grade levels, including high school gifted education.

AAGT STEM-SATIONAL SUMMER SEMINAR

A DAY OF INSPIRATION, INNOVATION, AND REAL-WORLD STRATEGIES FOR GIFTED EDUCATION

Join us for a day designed to spark curiosity, creativity, and practical inspiration for gifted education. The seminar features a keynote from DaNel Hogan of Braided STEM, engaging breakout sessions led by educators and STEM professionals, and a lively Vendor Science Fair showcasing tools, resources, and fresh ideas you can bring straight back to your classroom.

Expect interactive mini-challenges, prizes, meaningful connections with fellow Arizona educators, and 6 Professional Development Hours you'll actually enjoy earning. Whether you attend in person or via livestream, you'll walk away energized, inspired, and ready to put new ideas into action.

(Yes — learning can still be fun. We promise.)
